**GlassHost, a [now] brand of Nathanael LLC**

**Subject:** Acquisition of GlassHost by Nathanael LLC

Dear Valued Customer & Friends,

We are writing this to formally announce that GlassHost has been acquired by Nathanael LLC. **Effective immediately**, GlassHost will operate as a fully owned and managed division under Nathanael LLC. This strategic move is part of our long-term commitment to strengthen our hosting services and better serve your needs through consolidated infrastructure, unified billing, and around the clock support.

Key Changes to Note:

- Ownership & Structure: GlassHost is now fully owned and operated by Nathanael LLC.
- Billing Transition: All billing will be migrated to Nathanael LLC for tax consolidation purposes. You may see changes in billing statements and invoices under the Nathanael LLC name.
- Product Offerings: We will be streamlining our services to align with Nathanael LLC's mission. The following services will continue to be supported:
  - Web Hosting
  - Email Hosting [New Product!]
  - Game Hosting
    - Virtual Private Servers (VPS) will be **halted** temporarily. Reintroduction may be considered based on market demand, pending board approval.
- Support & Staffing: With this merger, customers can expect true around the clock support thanks to Nathanael LLC's staff. Select GlassHost team members will be retained and integrated into our operations as needed.
- Security & Backup Redundancy: Along with this merger, our team are prioritizing security, with implementing robust policies to safeguard everyone's data. We understand data is important, and **your data integrity is our priority**.

Thank you for your continued trust.
